

- Adonis Luxury Resort - A resort and Plasmid/Gene Tonic therapy center for the upper class citizens of Rapture, themed with ancient Greek architecture.
- Atlantic Express Depot - The main Atlantic Express maintenance and repair facility, and where Delta is introduced to Rapture's trains.
- Ryan Amusements - An amusement park where children are taught about the "evils" of the surface world and Rapture's history.
- Pauper's Drop - Initially a maintenance facility, it became a squatters' shantytown, housing out of work builders of the Atlantic Express railway and many poor citizens of Rapture. It was later redeveloped for low cost housing by Augustus Sinclair.
- Siren Alley - Originally Rapture's masons and artisans quarter, turned red light district during Rapture's economic crisis, now home to Splicer prostitution and other lowly activities. Simon Wales has set up his church in Pumping Station 5.
- Dionysus Park - A free park built by Sofia Lamb to promote the arts and to express her ideals of social unity to the citizens of Rapture.
- Fontaine Futuristics - The headquarters of Frank Fontaine's Plasmid business, seized by Ryan and later utilized by Lamb and her followers. It is also the place where Dr. Gilbert Alexander underwent an experiment to become the first "Utopian."
- Outer Persephone - A former psychiatric prison hospital, it is the location of Sofia Lamb's office and base of operations.
- Inner Persephone - A penal colony used to hold Rapture's most dangerous criminals, the insane, and political dissidents.
